

Advance Order Keg List

THIS LIST IS ALPHABETICAL BY COUNTRY, THEN BREWERY, THEN BEER LABEL. SCROLL DOWN TO "USA" FOR AMERICAN BEERS. BREWERIES DON'T MAKE ALL BEERS AVAILABLE IN ALL KEG SIZES, SO CAREFULLY REVIEW THE "KEG SIZE" PRIOR TO ORDERING.

Orders are due by **TUESDAY 3PM** for arrival on/by **FRIDAY at 4PM**. If you need the keg on an earlier day, be sure to order the Tuesday a week in advance. Sorry, we cannot guarantee kegs will be available at the distributor. Should yours be unavailable, we will immediately contact you for an alternate choice.

To order keg(s), call or stop by 99 Bottles during business hours. If phoning in, please be prepared to provide the following information: Your name, phone number, need-by date, kegs needed (i.e., brewery, label, and size), and a valid credit card (Visa, MasterCard or Discover). No orders are accepted via email or voicemail. The credit card is provided to "secure your order" in case of abandonment. For information on abandonment fees, visit the 99 Bottles website at <http://99bottles.net/beer/keg.htm>. By ordering keg(s) from 99 Bottles you agree to all terms listed therein.

A "Keg Registration Declaration and Receipt" is required for every keg leaving 99 Bottles. The keg purchaser, signee of the Declaration, and person picking up the keg must be of legal age and present valid ID in order for the keg(s) to be purchased and released.

In addition to the price, a \$45 keg deposit is required for every keg. This keg deposit is refundable upon return of keg shell in good condition.

99 Bottles has a limited number of party-pump taps available to rent. For types, rental information and fees, visit <http://www.99bottles.net/beer/keg.htm>.

Have questions about party planning, kegs, taps, or ordering? Visit www.99bottles.net/beer/keg.htm — you'll find answers to most questions there.

*Most prices listed are accurate as of SEPTEMBER 12, 2011. All prices are subject to change. Prices are provided for estimating purposes only. 99 Bottles Club members receive 10% off the keg price. **Prices listed in RED are from a June 2010 catalog and may not be entirely accurate; those listed in red require 2-week or longer lead time.**
